

REGISTRATION NUMBERS CLUB, 39 Winding Way Leeds LS17 7RG

The Registration Numbers Club was established in 1977 at a time of crisis. The facility to transfer a cherished number was being withheld by the licensing authorities and this caused much misery to many people, especially those who had owned their numbers for a considerable time. Alex G Jackson, a well known rally driver owned several numbers and, together with a small number of associates, decided that some action was needed. After several press releases a large rally of cherished numbers was held in Harewood, near Leeds and within a short time over 2000 members were signed up.

Following a massive lobby of parliament, letters to MPs and the press, the authorities relented and once again transfers of cherished numbers were permitted, albeit with some changes to stop fraudulent activities. The RNC has continued since then, issuing regular newsletters, holding an annual rally at various venues around the country and generally keeping a watchful eye on the whole UK vehicle registration system.

In the intervening years, the whole concept of cherished numbers has seen many changes, including the sale of numbers by DVLA, and retention certificates for use when the holder's new vehicle is not yet available and, maybe one day, the possibility of "vanity" plates similar to those available in the USA, Australia and New Zealand.

The Club is run on a voluntary basis by a small group of enthusiastic cherished number owners. We do not deal in or sell Cherished Numbers, nor are we associated with the dealers associations, MIRAD / CNDA, although many dealers are individual members. *Since our formation we have never levied a formal subscription, members sending us whatever amount they feel they can spare to help us meet our costs, many subscribing by bankers order to help keep office work to a minimum.* We enclose a recent newsletter and hope you will join us and look forward to hearing from you soon.

*Please complete the first part of this form if you wish to join. We are a friendly club, so do give your first name, or that by which you prefer to be known. Membership covers one year, so we will remind you to renew a year to the following February or August. You may care to fill in the bankers order which does save us time and expense in not having to remind you to renew! Most members send us somewhere between £10.00 and £30 depending upon their circumstances. Whichever method you chose, we welcome you as a member of the RNC - *the only nationwide club dedicated to the right to hold and transfer a cherished vehicle registration mark.**
