Simply Registrations of Wakefield agrees further rally sponsorship deal

Simply Registrations Ltd, based in Wakefield, West Yorkshire, has announced that it will continue to be an RNC rally sponsor for the club's 40th anniversary rally in 2017. The company will sponsor most of the rally site costs of the venue at Temple Newsam House, to the east of Leeds, this July.

James Saperia, Managing Director of the company, told the RNC that he has always enjoyed personalised number plates and that as his business becomes more and more successful, the sponsorship represents an ideal marketing opportunity for him.

Personally overseeing the transfer of cherished number plates, James gives his clients his mobile phone number allowing them to contact him any time of the day or night seven days a week. He guarantees to provide a professional and efficient number plate buying experience.

Commenting on the 2017 anniversary rally, RNC Publicity Officer Rod Lomax said, "Having Simply Registrations as a rally sponsor once more is very pleasing and will help make a very enjoyable event." He continued, "We look forward to a long and mutual relationship to the benefit of both parties."

Registration Numbers Club members from around the country will meet at the Yorkshire venue on Sunday 16 July this year for their annual meeting and to take part in a friendly competition.

A dinner for club members will be held at the Mercure Leeds Parkway Hotel on Otley Road, Leeds on the previous evening, Saturday 15 July where rooms can also be booked.
