Regtransfers continues sponsorship for the RNC 40th anniversary rally

Major cherished registrations dealer Regtransfers has agreed to continue with its sponsorship of the rally control centre for the 2017 Registration Numbers Club 40th anniversary rally to be held at Temple Newsam House near Leeds. Regtransfers has assisted with the not inconsiderable costs of this annual event for several years now and will cover the cost of the rally control centre which the club will use as event headquarters.

It was back in 1982 that Tony Brown established Regtransfers and today the company employs over 80 people, it having grown considerably in size to handle everything involved in the selection, purchase and transfer of cherished registrations.

Based in Dunstable, Bedfordshire, Regtransfers.co.uk carries a vast stock of exclusive plates to suit all tastes and has developed and invested in a wide range of web based services such as its fast search facility. The company also produces a free magazine distributed to several thousand number plate clients and contributors.

Registration Numbers Club members from around the country will meet at the Yorkshire venue on Sunday 16 July for their annual meeting and to join in a friendly competition.

On the evening before, Saturday 15 July, a dinner will be held for members at the Mercure Leeds Parkway Hotel where they will socialise prior to the rally.
